WINEMAKING

Crafted with precision and care, this small-lot Pinot Gris was hand-harvested from our Ogden Road Vineyard in West Kelowna. The grapes were whole-cluster pressed with gentle handling to preserve the purity of the fruit. After a 48-hour cold settling of the free-run juice, a cool-temperature fermentation in stainless steel was conducted to retain the vibrant aromatics and expressive fruit character. The wine was then aged for 6 months in temperature-controlled stainless steel, developing complexity and texture while maintaining its fresh, varietal-driven profile.

ALCOHOL: 13.9%

pH: 3.39

RESIDUAL SUGAR: 6.14 g/L

ACIDITY: 4.80 g/L

TASTING

The appeal of this wine begins with its delicate blush hue. The wine is intensely fruity, with aromas of apple and cantaloupe. On the palate, there are flavours of apple, nectarine and citrus that persist in the long finish.

PAIRING

Mild cheese like gruyere and brie, grilled vegetables, sushi, seafood skewers, salmon, cream sauce pasta, risotto, lemon herb roasted chicken, pork tenderloin.
